TERMS AND CONDITIONS FOR SALE

The Seller (AVRA SYNTHESIS) will supply the chemical ('product') or service required by the buyer subject to the terms and conditions below:

INTERPRETATION:

All orders placed by the buyer are accepted and all contracts are made subject to the terms which shall prevail and be effective notwithstanding any variations or additions contained in any order or other document submitted by the buyer. No modifications of these terms shall be binding upon the Seller (AVRA SYNTHESIS) unless made in writing by an authorized representative of the seller.

In these conditions the following expression shall, where the context admits, have the following meanings: "the goods" means the goods which are subject of this contract between us and the customer ; “business day" means any day other than a Sunday or a day which is a public or notified holiday in India; and "contract" means the contract for the sale of goods set out in these Standard Conditions of Sale, our quotation (if any), our order acceptance (if any) and any special terms expressly agreed in writing as forming part of the contract.

The customer agrees that, in entering into this Contract, it does not rely upon any expressed or implied representation made by any of our employees or agents or any representations made in any of our sales/promotional literature and that such representations shall not form part of the Contract or a collateral contract.

PLACING OF ORDERS:

Every order made by the Buyer shall be deemed an offer by the buyer to purchase products from the Seller and will not be binding on the seller until a duly authorized representative of the seller has accepted the offer made by the buyer. The seller may accept orders only from commercial, educational or government organizations, but not from individuals and the seller reserves the right to insist on a written order and /or references from the buyer before proceeding.

There is no minimum order value. At the time of acceptance of an order the seller will either arrange prompt despatch from stock of material to satisfy the order. The seller will indicate an estimated delivery time. In addition to all its other rights the seller reserves the right to refuse the subsequent cancellation of the order if the seller expects to deliver the product on or prior to the estimated delivery date. Approximate delivery time will be notified to the customer. If the seller is unable to deliver any products by reason of any circumstances beyond its reasonable control ("FORCE MAJEURE") then the period for delivery shall be extended by the time lost due to such Force Majeure. Details of it will be forwarded by the seller to the buyer as soon as reasonably practicable.

PRICES, QUOTATIONS & PAYMENTS:

Prices are subject to change. For the avoidance of doubt, the price advised by the seller at the time of the buyer placing the order shall supersede any previous price indications. The prices quoted / listed in the price list excludes any tax.Any additional tax or duty or levy or cess will be charged as imposed by the government authority will be applicable. Customers seeking any exemption must submit the requisite declaration form along with the order. Customers outside Andhra

Pradesh are required to mention their VAT registration number on their orders. The seller will on request and where possible, provide quotations for multiple packs, semi-bulk, or bulk quantities, on listed items and custom synthesized items, irrespective of the type of request or means of response all quotations must be confirmed by an order in writing before an order will be accepted by the seller.

Unless agreed in writing on different terms, quotations are valid for 30 days from the date thereof.

Payments are to be made by DD/Cheques drawn on AVRA SYNTHESIS PVT LTD payable at Hyderabad. In the event of payment through bank the customer has to retire the documents immediately on presentation of the documents by the bank.

Payment terms are net 30 days from invoice date unless otherwise agreed in writing. The seller reserves the right to request advance payments from the buyer. The buyer shall not be entitled to withhold or set-off payment for the products for any reason whatsoever. The interest @ 21% will be charged on all the payments received after due dates.

INSURANCE: If expressly desired goods can be insured at customers cost of 2% premium on the invoice value.

DELIVERY AND RETURNS:

A) Delivery, Courier and Handling charges will be extra and will be included in the invoice.

B) Normally goods will be delivered within 15 days from the date of confirmation of order. The company shall not be responsible for any part supply, or delay in supply of material, for reasons of break downs, power failure, strike, lock outs, shortage of raw material, Govt ban or any act of God or natural calamities.

C) Company reserves its right to execute the order in full or in part and the customer is bound to accept such part deliveries.

D) All materials will be shipped under Room temperature. It will be the responsibility of the buyer to move items that require controlled temperature storage immediately on receipt of the same. The seller does not bear responsibility for damage of material due to prolonged storage at higher temperatures. Customers requiring shipment under controlled temperature need to specify the same at the time of ordering and the same will be done at additional cost. The additional cost is a function of pack size and distance to be transported.

The buyer shall inspect goods immediately on receipt and inform the seller of any shortage or damage within one week. Quality problems must be notified within 10 days of receipt. Goods must not be returned without the seller's prior written authorization. The decision for replacement of the damaged goods will be at the sole discretion of the seller. The buyer without prior permission of the seller cannot return opened or damaged containers.

DAMAGE IN TRANSIT:

Damage in transit has to be notified to the seller in written form within 3 days of receipt of the material, so as to enable the seller to comply with the carriers conditions of carriage applicable to damage in transit and are given the opportunity to inspect the goods and on the condition that the customer shall make no further use of the goods. Non-delivery of goods has to be notified immediately so as to enable us to

comply with the carrier's conditions of carriage applicable to non-delivery.

PRODUCT QUALITY:

All products are analyzed in the sellers QC laboratories. Purity values, where quoted are typical figures and may vary from batch to batch. In case of dispute, the method of analysis used by the seller will be taken as the standard method to resolve the dispute. Specifications are subject to change and reasonable variation from any value listed herein should not form the basis of purity. All patents involving the seller's products are acknowledged.

Certificate of Analysis are supplied for semi-bulk or bulk orders but not normally for pre-pack sales.

SUITABILITY AND FITNESS:

We accept no liability for misuse of the goods or failure of the customer to carry out its statutory obligations. AVRA SYNTHESIS shall not be liable for negligence of handling the material once it has be dispatched to the customers end, or for any direct loss, damage or injury to the customer at his premises. We shall not be liable for any failure, which arises out of any fault on the part of the customer or its employees or any failure of the customer's plant or machinery.

USES, PATENTS AND WARRANTIES:

The buyer is responsible for any patents infringements resulting from the use of the seller's products, singly or in combination with any product from any source. Other than the warranty of title as provided in the uniform commercial code, no warranty by the seller shall be implied or otherwise created, including but not limited to any warranty of fitness for a particular purpose. References herein are for information and suggestion only.

No order for goods may be cancelled without prior intimation in written to authorized representative of the seller.

Goods supplied are intended for laboratory use for research and development purpose only. We assume no responsibility if they are used as drugs, food additives or household chemicals.

The seller reserves the right to necessary changes in the above terms and conditions without prior notice. Wherever possible the buyer will be advised in advance. Any delay or forbearance by the seller in exercising any right or remedy under these terms and conditions shall not constitute a waiver of such right or remedy.

SETTLEMENT OF DISPUTES :

The seller will endeavor to resolve amicably disputes or differences, if any, through mutual discussions and negotiations. If the disputes are not resolved within 30 (Thirty) days of commencing of such negotiations, the seller has the right to refer the dispute to Arbitration which, shall be held in accordance with the laws of India. The place of arbitration shall be Hyderabad and the language of the proceedings shall be English.

If the disputes are not resolved and in the event they are referred to the courts, they will be subject to the Jurisdiction of Hyderabad Courts.
